

SJFM Meeting Minutes

Date of Meeting: **June 26, 2008 (7-9pm)**
Location: Colin and Lori's house

St. John's Farmers' Market Steering Committee Pot-Luck Meeting

Things we talked about at the meeting (July 29th)

- Who is going to do what at the market? We worked out a schedule that Sarah has e-mailed to everybody.
- Current finances-If anyone wants to see them in detail, e-mail Colin.
- Vendors paying in advance- they can send cheque to Lori and Colin but this seemed to be a lot of hassle. Something to think about for next season.
- More vendors meetings: hopefully the last market of every month.
- Colin will set up a vendor talk space on-line.
- Howard wants to be on vendor profiles.
- Advertising-Telegram website, Downhomer (Linda Bidgood), Buy and Sell, Kijiji.
- Sarah and Emily should continue farmer hunt. Sarah has called them all and will print out the letters for Emily to send? (Is that right Sarah?)
- Emily to check out CDI funding and the Innovation, Trade and Rural Development Funding opportunity
- Proposed concert at the Lion's Club or elsewhere in September-To discuss.
- Hiring someone to take on market manager tasks. Devon will take this job at first because he is already doing it. Need to look into Services Canada re: Job Creation Partnerships.

I think that was the gist of the meeting. Any additions?
